Our camps run Monday through Friday in week-long full-day and half-day sessions. Our focus is on creating high quality camp experiences in a safe, fun, and educational environment!

Our Camp Staff

Parents have consistently ranked our counselors as the thing they love MOST about our camp!

Our skilled, friendly and professional staff have been thoroughly interviewed, screened, and carefully selected for their aquatic background, education, and experience. Intro to Watersports

The Intro to Watersports Camp is the perfect camp for *grom* campers (6-8 years old) looking to ease their way into the world of watersports. With lower camper-to counselor ratios, and a variety of different water contact experiences, younger campers are sure to enjoy their first camp experiences. Intro campers will learn about the ocean's creatures and currents, while spending the morning sessions playing fun beach games, learning how to kayak, and boogie boarding. This is a great option for younger campers who want a variety each day or just want to become more comfortable on and around the water!

(Includes Afternoon Multisport Camp)

Half-Day Camp: \$250

(Available mornings only)

What is a grom?

At The Watersports Camp, campers ages 6-8 are affectionately referred to as "*groms*," a term borrowed from surf culture to describe a young surfer. Our goal is to give groms a safe and fun environment to learn and develop a love for watersports. In order to make their experience more enjoyable, *groms* are given special attention and are supervised at a lower camper-to-counselor ratio.
