Important Reminders:

- **Be sure to keep all personal and valuable items to a minimum while attending camp. iPhones and other expensive smart phones and electronics are especially susceptible to theft and loss and should be properly stowed while at camp. Campers should not have these items out or be using them at camp unless absolutely necessary. We are not responsible for any lost, stolen or broken items.**
- **Please remember sunscreen for your child!** Sunburns are dangerous and not fun. Please remind campers to reapply several times a day. Our staff works hard to remind campers and always have some available, please help reinforce the importance of this issue.
- Label all personal equipment and belongings with your child’s name to ensure easy identification and return if misplaced. If some does get lost, check the lost and found in the camp patio.

- If your child needs to be picked up or dropped off during the schedule of a normal day, please contact the Camp Administrator or the Camp Director prior to that day. Special pickup or drop off MUST be pre-approved or take place between 11:00am and 11:45am or campers may be “on the water” and not accessible.
- Help prevent the spread of illness. If your child has a fever of over 100 degrees and either a sore throat or cough within 7 days of camp, please do not bring them to camp. We will arrange to reschedule your session.

If you have any questions, please do not hesitate to contact us at (858) 539-2003. Thank you and we look forward to seeing you at camp soon!

Thank you,
